

# LaRC SAFETY HIGHLIGHTS

March 12, 2001

FY 2001 - Civil Servants

( ) = Number of new occurrences

OSHA Recordable Cases = Fatalities, Lost Time and Incidents  
Incidents = Non first aid medical cases which have less than 8 hours lost time

## Injury/Mishap Information

- The Center has been **28** days **without** a Civil Servant **Lost Time Injury** (Record 251 days). (The 3/5/01 Safety Highlights incorrectly indicated the Center had been 28 days without a lost time accident. At that time, it should have indicated 21 days.)
- The following first aid cases involving civil servants were reported:
  - A SEC employee sustained a thumb laceration from a metal burr on the shop sink cold water knob.
  - A SEC employee slipped on an icy wooden sidewalk, sustaining a neck and shoulder injury.

- Safety Information** - The Executive Safety Board (ESB), chaired by the Deputy Director, is responsible for the oversight of the LaRC Safety Program. The ESB has formed safety committees to provide expertise and oversight of activities that fall within their function review.
